

Avocado Butter

Persea gratissima

INCI : Persea Gratissima (Avocado) oil (and) Butyrospermum parkii Butter (and) Oryza Sativa Bran Wax (and) Stearic Acid (and) Palmitic Acid (and) Olive Oil Polyglyceryl-3 Ester

Avocado Butter is obtained from Avocado oil through our innovative process, preserving the essential properties of Avocado Oil, well known for its benefits to sensitive skins. Avocado Butter can play a positive role in many cosmetic formulations. It spreads easily on the skin and has excellent penetrating and moisturizing characteristics which help repairing and softening dry skins.

In formulations, AVOCADO BUTTER helps in:

- improving the spreading and moisturizing effects in finished products
- building up body and structure in a formulation, stabilizing emulsions and adjusting viscosity.

Technical Information

	Specification	Method
Appearance (20°C)	Soft, off-white to ivory solid	Visual
